The Real Big Manager
Hiring Manager, Pentagram Design Firm
250 Park Avenue South St
New York, NY 10003

Dear Hiring Manager,

I am writing to inquire about the position of Junior Graphic Designer for Pentagram. My training and experience in design makes me an ideal candidate for this position. I am very interested in art and creativity, and I would like to join your team of designers.

My experience as a designer and a student at Vinal Technical High School has grown my work ethic and I am skilled in many aspects of design. I have learned how to effectively brainstorm, organize, and inspire to create art from nothing but ideas. I have been studying courses of art and design while learning computer science, and I have developed business and communicative skills. I am open to learning new skills and to working on a team with many different tools and areas of expertise.

Thank you for taking the time to read my resume. I hope you will appraise me as an employee. I will be contacting you shortly to discuss my resume and experience. Thank you for your time and consideration.

Sincerely,

Emily McLaughlin
